tests that HE will sell cheaper than any body else, and just here comes in the secret of the transaction which very few understand, to-wit: The market prices of Foreign and American Mar bles vary from twenty to fifty per cent., being

graded as No. 1, 2, 3, average and common. Now when a runner finds it necessary to sell very cheap, and although he promises the best, still when the work is being done the different grades of stock will be used according as the price demands and when delivered the buyer with his want of experience cannot detect the difference. In our ware rooms can always be found the best and at the lowest rates, and if buyers want the cheaper grades, the prices will be lowered accordingly, but mind you, the difference will be fairly pointed out and you will best instead of the cheaper kind. In buying be suited. It is not an article to be cast saids if WE are prepared to do as good work as any other office in this section of Objo. not liked, and if not suited you will always re-

gret it. Place no confidence in tomb stone bummers who make themselves so offensive by begging and tearing you to buy of them. They will promise you anything and everything to in-By visiting our works you will save money and also get a job that will give you satisfaction in all respects. If inconvenient to come and see us, drop us a line when you are ready to buy,

give you prices. By doing this you cannot lose anything but you may gain considerable.

PLAIN AND COLORED WORK

Read the following:

O. F. Meharis, Esq.

DRAS SIE.—Yours asking in regard to work in our Cemetery is before me. I have a very good opportunity of comparing the work put upon our grounds, and I can say with the atmost truthfullness and sincerity, that so far as my judgment goes, and so far as i have heard the opinion of the public, your work is regarded as surpassing all others both in quality of marble and work-manship, and on this point! may iroly any, there is hardly room for but one opinion.

I don't know that I have ever supressed as opinion to you on this subject, but I have's you remark a deep interest in the character of our remarks a deep interest in the character of our remark a deep interest in the character of our tenth of the special contents of the great userits of your work.

Yours Hespectfully,

Sup't of Ceder Hill Committer, Newark, O.

The above if applied to nino-tenths of the Cemeteries in Licking Co. would be a true statement. Facts cannot be successfully disputed. We also have a spisuded stock of iron, slate and marble mantals. Any one buying a mastel, will be furnished at nat cost, complete grain scenario of the front, fender, summer front, fire banket, ash pan, and hooks.
